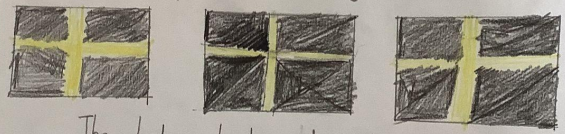
Why Do I Love Wales?

Wonderful Wales,
There's so much history here,
Legends, Myths, Tales

A stunning country, the land of the dragon.
The majestic Vallys, hills and Vales.
An amazing museum called St Fagan's.
Just some of the reasons why I love Wales.



The land of legends, myths and tales.
Beautifull and peacefull vallys and vales.
The land of song.
Where nothing is wrong.
The country that I call home, Wales.

Why do I love Wales?

Wales is the best,
With music and delight,
A country better than the rest,
Upon this beauty, the sun shines bright.

This beautiful country called Wales,
The sheep with big fluffy tails,
With beauty and wonder,
Comes lightning and thunder,
Upon the oceans with dolphins and whales.

Why do I love Wales?
Because the beautiful fields
Lying in the sun.

Why Do I Love Wales?

Dragons roar and soar!
Beautiful Daffodils Bloom,
Singing voices boom.

Leeks and Daffodils on St. Davids Day
The Welsh red dragon on our flag,
Many woolly sheep are born in May,
Our country is the best! I don't mean to brag.

Welsh is the language that we speak,
In my opinion it's wych!
The past in St. Fagans
We're known for the dragon
Our future will not ever be bleak!

Year 6

Wonderful Wales

With all of our mythical tales,
About giants, monsters and betrayals,
Like Gelert and his master,
The baby was looked after,
But sadly brave Gelert didn't prevail.

Our national colour is red,
It's something that has to be said,
Leeks will grow high,
Rugby balls fly by,
Come see the sights, then go to bed.

The wonderful landscape of Wales,
Hills laden with trails,
The mountains up north,
Want scenery? Come forth,
Our wonderful country, called Wales.

The battles of dragons red and white,
The onslaught of godly might,
Dewi's flames devour,
The White Dragon's icy powers,
And over the village, the dragons fight.
