Both about a mile or so from the top of the mountain, the two paths are very similar. The one that is more direct is the one that is more scenic. The one that is more direct is the one that is more scenic. The one that is more direct is the one that is more scenic.

Welcome to Beacons National Park

What you can do here

Beacons National Park is a beautiful area with many things to see and do. It is a great place to enjoy the outdoors and get some exercise. There are many trails and paths to explore, and you can see some of the best views in the area. There are also many beautiful lakes and rivers to enjoy. So, come and see it all!
