Our Learning Journey

This term, our curriculum focus is about how literature fires imagination and inspires creativity.

Dosbarth 1-6 have chosen the curriculum title "Escape into a book".

Dosbarth 7, 8 and 9 have chosen the title "It's not a book it's a" and have used pupil voice to complete their title.

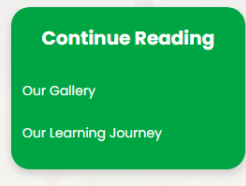

As part of this learning journey, the children will be exploring three texts focusing on the environment, diversity and health and wellbeing. The children will be provided with a wide range of activities to create and improve their own writing as well as develop their knowledge and skills across a variety of learning experiences.

As parents, you can now access an overview of learning and a gallery, to showcase the learning experiences via the class pages on our website. This will be updated regularly.

Please click on the link below:
