Arddangosfa'r wythnos – Weekly Showcase

Ms Pritchard

Dosbarth 9 are always up to something! Take a look at a few of our activities from last term and this term so far!

We celebrated World Book Day in style! Dressing up, having some chilled out reading, reading buddies with younger friends, amongst other things.

Mrs Tobin

We have enjoyed our PE sessions, building and refining our skills on the apparatus and getting groovy in dance sessions.

We spent a wonderful afternoon at Thompson's Park collaborating and applying our numeracy skills to various challenges.

Our sessions exploring the Lego Spike tech kits were challenging but so much fun! We not only built lego models, but we also programmed them. Here's our break-dancing robot!

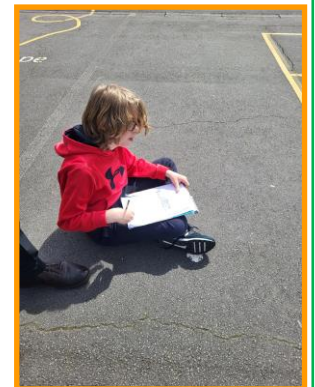

During Science week we were exploring time, and we decided to make water clocks! It was a very precise task (involving measuring, timing and collaborating) and things got messy! But we succeeded!

We made 3D containers to house our Easter eggs - we could choose from different 3D shapes and drew the nets from scratch!

Sketching the views from the school playground.

We rescued our Little JJ by decoding a coded 100 square and then applying the code to calculate equations! Complicated stuff, but we rose to the challenge!

Using the wordless book 'Window' by Jeannie Baker, we were considering what the bees, birds and trees would have to say to us humans about air pollution.

Reception Class September 2024

- Reception Offers for September 2024 were released on Tuesday 16th April.
- Places need to be accepted by **30/04/2024** and should be done through the online portal. You can also accept via email / letter / C2C memo.
- Refusing places need to be done in writing/email with an alternative place of study, offers cannot be refused without this.
- Children will stay on the Waiting List until 30/09/2024.
- Any late applications need to be completed and returned by 30/04/24 need to be completed and returned by that date. The late form is available from the Website.

Parking

Our priorities with regard to parking are to promote Health and Wellbeing, Safety and Respect.

As an inner-city school, we recognise that parking for parents and carers at the beginning and end of the school day is usually difficult.

The school actively promotes healthy living, so we encourage families to walk, scoot or cycle to school if at all possible. If coming by car cannot be avoided, we suggest parking at some distance from the school and walking (Park and Stride) or scooting (Scoot and Boot) the rest of the way.

We ask our parents to avoid driving and/or parking in Cardigan Street.
We ask our families to not double park in no parking zones.

If, in an emergency, parking around the school cannot be avoided please observe the following guidelines:

- **No parking on double yellow lines or the zigzags EVEN JUST TO DROP OFF your child**
- **Do not double park or stop in the middle of the road**
- Please respect our neighbours – residents' parking is for their benefit
- Please set a good example for your children - respond to requests to move on with good grace

Our Health and Safety officer will be monitoring this closely over the remainder of the summer term.

Seren Y Wythnos

Llongyfarcia dau i – Congratulations to:

Dosbarth 1	Dosbarth 2	Dosbarth 3	Dosbarth 4	Dosbarth 5	Dosbarth 6	Dosbarth 7	Dosbarth 8	Dosbarth 9
