Fundraising for the School

I am delighted to have been asked by Elliot in Dosbarth Glas to support him in his achieve his Cubs money skills badge. The goal is for Elliot to learn about how people gain, save and give away money by choosing a way of gaining saving or giving away

Elliot has chosen to make and sell bespoke 3D printed Keyrings for £1 (as pictured right).

All profits from this will be given to Radnor.

You can choose your text – e.g. your name or the name of someone you would like to give the keyring to or a fun word or saying. Some examples on the right – but do use your imagination!

You can have a choice of the following background colours: Red, Orange, Yellow, Green, Blue, Purple or White.

Your text colour can be: White or Black

Elliot will be taking pre orders from Monday 8th December until

Keyrings will then be ready to be taken home by the children on Thursday 18th December.

If you would like to purchase a keyring you will need to:

1. Write the background colour, text colour and wording on a piece of paper.
2. Put this piece of paper into an envelope with the £1.
3. Write your child's name and class on the envelope.
4. Hand into Mrs Williams on the school gate before Friday 12th December.

(If you wish to order more than one keyring, please put order on separate pieces of paper but in one envelope with the correct amount of money).

Thank you for your continued support and a big thank you to Elliot for involving Radnor in helping him to achieve your Cubs money skills badge.

What a busy term we have had in Dosbarth Oren. Check out what we have been up to!

We have all settled well into Dosbarth Oren and are a great team. We are having lots of fun learning in the Discovery Den and outdoor area too! Rydyn ni'n hapus iawn! We enjoyed dressing up and supporting Children in Need and Show Racism the Red Card.

We are enjoying our topic 'Community Cegin' and have been writing shopping lists, following recipes and improving our cooking skills. We are currently finding out about healthy eating and the Eatwell Plate and making baked beans on toast. We are visiting the library this week to look for story books about food and recipe books. Flasmus iawn!

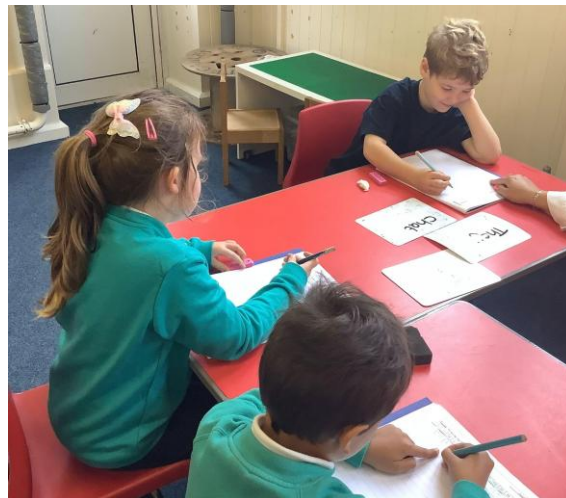

In PE (every Thursday) we have been practising our balancing skills. In games (every Wednesday) we have had fun improving our hockey skills and playing football with Cardiff City.

We have done lots of learning and in maths we are mastering place value. We have been counting backwards and forwards, adding and subtracting and practising number bonds. We have also been working hard to improve our handwriting and writing persuasive letters and traditional story tales with a twist. We have had music lessons with Mr Walsh and Year 2 have been out with the Cardiff Road Safety team. Ardderchog!

We are currently busy rehearsing for our Christmas concert and look forward to performing it on Tuesday December 9th. Remember to check out our Class Dojo story.
