Parent Governor Vacancy

There is currently **one** vacancy for parent governor on the Governing Body. The purpose of this letter is to invite you to consider serving as a parent governor and to explain the role of the governing body.

Who are Parent Governors

Parent governors are elected as representative of the interests of the parents of pupils. However, parent governors are not mandated delegates of parents. They are a member of a corporate body – the Governing Body – and have the same powers, duties and responsibilities as all other governors. Unless specifically instructed by the governing body, they have no individual powers to make decisions. Parent governors are entitled to exercise the same powers, duties and responsibilities as other governors and have the same rights as other governors. Parent governors are a distinctive category of governor and, as elected representatives, are well placed to understand the needs and points of view of parents. Parent governors are elected to serve a term of office of 4 years.

If you would like to be a parent governor, you need to fill in the nomination form available from the school office and return it to school by **Monday 23rd March 2026**. Any nominations received after this date will not be accepted. If more nominations are received than there are vacancies, an election will be held which would be decided by a simple majority. The timescale for any election would be as follows:

Closing date for nominations:

Monday 23rd March 2026

Issue of ballot papers (if election is required):

Wednesday 15th April 2026

Return of ballot papers:

Wednesday 29th April 2026

Maggie's Smarties Challenge!

Radnor Primary is excited to take part in Maggie's Smarties Challenge!

Maggie's is a local charity based in the grounds of Velindre Hospital, supporting people living with cancer and their families across Southeast Wales. Each child will receive a tube of Smarties to enjoy, then use the empty tube to collect 20p coins by helping out at home over a set period. Once filled, the tubes will be returned to school for collection by Maggie's, who will use every penny to support their vital work. It's a fun way for children to get involved, learn about helping others, and make a real difference in our community.

Thank you in advance for supporting this wonderful charity.
