One Planet Awards

We were delighted to take a small group of pupils to the Cardiff One Planet event, where schools from across the region came together to showcase innovative, student-led sustainability projects through the One Planet Awards. Five Radnor pupils represented the school brilliantly, cycling to the event in true Radnor style and embodying our eco values from the very start. Their passion and creativity shone through, earning them the award for Most Creative and Sustainable Curriculum for their outstanding Eco Eisteddfod work, as well as the overall Judge's Pick for the Grand Prize on the day. We are incredibly proud of their achievements, and of the collective effort across the whole school community—these awards are a testament to everyone's hard work and commitment to sustainability at Radnor.

Parent Questionnaire – Self Evaluation

As part of our ongoing commitment to improving the quality of education we provide, self-evaluation is a key process within the school, involving all stakeholders. This enables us to reflect on our strengths and identify areas for development in a collaborative and informed way. Teachers will be undertaking this important work during the INSET day on Friday, and our Governors will be contributing to the process at our final meeting of this academic year, on 1st July. We are now inviting parents and carers to support this work by completing a short questionnaire, as your views are invaluable in helping us shape the future direction of the school.

Please complete a short questionnaire by clicking on the link below by Friday 11th July.

Uniform

Uniform expectations will return to normal next week as we will be returning to normal summer temperatures. However, children will continue to wear a P.E kit on their P.E days and remain in their kit for the entire day. Thank you for your continued support.

Sports Day

Sports Day is scheduled to take place on Wednesday the 1st July with Dosbarth Mewlyn, Gwyrdd, Glas and Fioled taking place in the morning and Dosbarth Enfys, Coch and Oren taking place in the afternoon. We will be keeping a very close eye on the weather forecast on Monday and will inform parents/carers if there are to be any changes to this event.

PTA Summer Events

Sports Day

We are adding a splash of colour to Sports Day on Wednesday 1st July!

For our Year 3–6 pupils, we'll be offering house-colour face paint and hair spray at the school gate from 8:40am. We ask for cash payments only. Then, to celebrate all the children's hard work, the PTA will be hosting a bake sale on the playground at 3:15pm. If you'd like to donate cakes ahead of time, please drop them off at the school office.

Radnor Summer Discos

With all the exciting building works and improvements happening at school, we will not be holding a Summer Fayre this year — but we are thrilled to bring the fun straight to the children with our PTA Summer Discos! 🎉 🎈 ✨ We will be holding two discos:

Radnor Summer Sparkle Disco (Rec–Y3): Thurs 9th July, 6pm

Radnor Summer Glow-Up! (Y4–6): Fri 10th July, 6pm

Tickets and full info available using these links: [Ticket Source - Rec-Year3](#) and [Ticket Source - Year4-6](#)

Thank you for supporting our school community!

Sun Safety

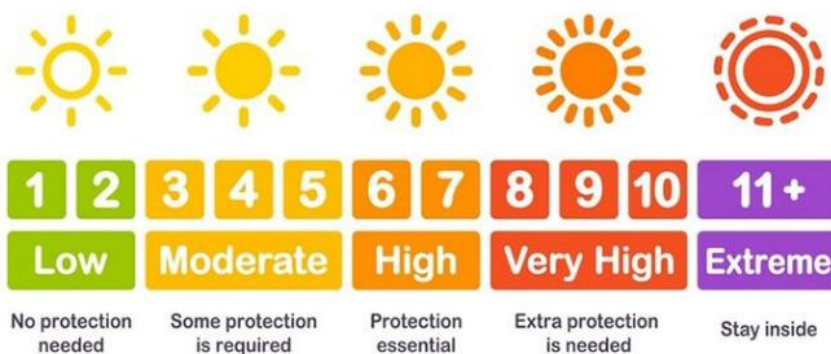

We ask that parents ensure their child(ren) are equipped with a **suitable sun hat and sunscreen** that are clearly labelled and brought to/or kept at school for use/application when required.

Sun hats should be either broad-brimmed (bucket style) or legionnaire to shade the face, neck, ears and cheeks.

We recommend that sunscreens have a minimum Sun Protection Factor (SPF) 30, be 'broad-spectrum' (to provide both UVA and UVB protection) and, if labelled with a UVA star rating, carry a minimum of 4 stars.

UV Level Index

Remember to check the UV level each day and ensure you put sunscreen on your child before school, send them in with a suitable sun hat and sunglasses.
