Together we can do our best!

Be Ready	Be Respectful	Be Reliable	Be Responsible/Safe
----------	---------------	-------------	---------------------

As Headteacher, I am delighted to reflect on what has been an exciting and incredibly proud week for our school community.

It began on Sunday with our wonderful Year 3 and Year 4 choir, who sang their hearts out at the Noah’s Ark Children Hospital’s Superhero 5K event, showcasing not only their talent but also their enthusiasm and confidence.

On Wednesday, we enjoyed a fantastic Sports Day at Thompson Park, where our younger pupils embraced a range of fun and engaging activities, while our older pupils demonstrated one of our core values, **resilience**, through their participation in more competitive events. It was truly heartwarming to hear children and adults alike cheering, encouraging and celebrating not only their own teams but the achievements of others, creating an atmosphere of joy, respect and community spirit. I would also like to thank Mr Morgan again for organising, coordinating and overseeing such an important annual event for the school.

The celebrations continued Thursday evening as our Year 5 pupils represented the school at Fitzalan High School’s musical showcase, performing alongside other primary schools from across our cluster and making us immensely proud.

We have rounded off the week with a fun-filled water session which brought smiles, laughter and plenty of excitement to everyone involved – including a very soggy Headteacher and Deputy Headteacher/ALNCo!

This week perfectly captured the spirit of our school: children showing courage, resilience, talent and kindness, while creating memories that will stay with them for years to come.

Parent Questionnaire – Self Evaluation

As part of our ongoing commitment to improving the quality of education we provide, self-evaluation is a key process within the school, involving all stakeholders.

This enables us to reflect on our strengths and identify areas for development in a collaborative and informed way.

Teachers will be undertaking this important work during the INSET day on Friday, and our Governors will be contributing to the process at our final meeting of this academic year, on 1st July.

We are now inviting parents and carers to support this work by completing a short questionnaire, as your views are invaluable in helping us shape the future direction of the school.

Please complete a short questionnaire by clicking on the link below by Friday 11th July.

PTA Summer Events

Radnor Summer Discos

With all the exciting building works and improvements happening at school, we will not be holding a Summer Fayre this year — but we are thrilled to bring the fun straight to the children with our PTA Summer Discos! 🎉 🎈 ✨ We will be holding two discos:

Radnor Summer Sparkle Disco (Rec–Y3): Thurs 9th July, 6pm

Radnor Summer Glow-Up! (Y4–6): Fri 10th July, 6pm

Tickets and full info available using these links: [Ticket Source - Rec-Year3](#) and [Ticket Source - Year4-6](#)

Thank you for supporting our school community!

Sun Safety

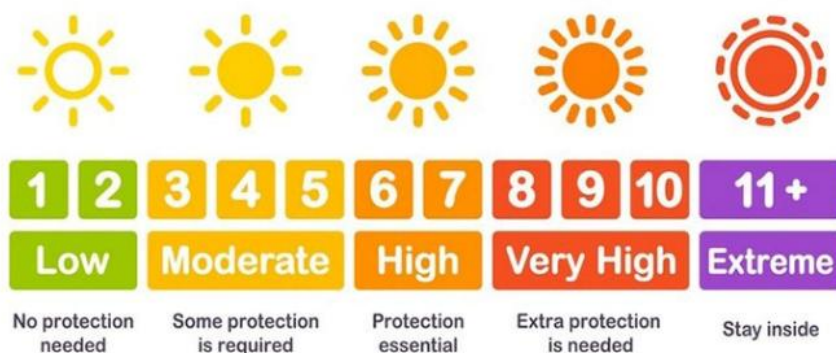

We ask that parents ensure their child(ren) are equipped with a **suitable sun hat and sunscreen** that are clearly labelled and brought to/or kept at school for use/application when required.

Sun hats should be either broad brimmed (bucket style) or legionnaire to shade the face, neck, ears and cheeks.

We recommend that sunscreens have a minimum Sun Protection Factor (SPF) 30, be 'broad-spectrum' (to provide both UVA and UVB protection) and, if labelled with a UVA star rating, carry a minimum of 4 stars.

UV Level Index

Remember to check the UV level each day and ensure you put sunscreen on your child before school, send them in with a suitable sun hat and sunglasses.

School Nurse Team

The School Nursing Service has developed a new Padlet to support the health and wellbeing of children, young people, parents and carers.

This online resource brings together a range of trusted information, advice and support services, covering topics such as emotional wellbeing, healthy lifestyles and where to access help. It is available in any language (Click the 3 dots in top Right hand corner and select desired language) Please take a look.

You can access the Padlet here:
