Headteacher's Message

As we come to the end of another wonderful year at Radnor Primary School, I would like to thank our pupils, families and governors for their continued support and commitment.

This year has been filled with memorable achievements and experiences. We were delighted to be recognised as One Planet Grand Prize winners, celebrating our strong commitment to sustainability and our developing sustainability curriculum. Our popular Bike Buses have continued to promote healthy lifestyles while supporting our environmental goals. We were pleased to welcome Estyn for an interim visit and are proud that our work has provided opportunities to share best practice with other schools.

Our pupils have enjoyed a wide range of trips, visits and residential experiences, helping to bring learning to life and create lasting memories. They have also represented the school brilliantly at numerous sporting events, including our successful 5K Run. The Year 3 and 4 Choir spread festive cheer at Christmas while supporting Noah's Ark Children's Hospital, demonstrating the kindness and community spirit that we value so highly. The year has ended with some fantastic celebrations, including our Water Fun Day and End of Year Disco and Festival, which brought everyone together to celebrate another successful year.

A special mention must go to our Year 6 pupils. Yesterday's leavers' performance was a fitting celebration of their time at Radnor and provided an emotional reminder of just how much they have grown during their years with us. We are incredibly proud of each and every one of them and wish them every success as they move on to the next stage of their education.

You will not see me on the gate at the end of the day today, as I will be experiencing that very special milestone as a Year 6 parent, watching my own child leave primary school for the last time.

I am incredibly proud of everything our children have achieved this year. Thank you to everyone who has contributed to making this such a positive and successful year for our school.

To the staff, thank you for being committed, positive, passionate and motivated to ensure the children at Radnor model our values and have opportunities and experiences to support them in succeeding in school and in life.

As I mentioned in the leavers play yesterday, the Radnor community really is special.

I wish you all a happy, safe and restful summer break and look forward to welcoming everyone back in September.

Dear Dosbarth Melyn,

What an incredible year we have had! It has been truly fantastic witnessing you all grow and develop and it has been a pleasure to see you flourish and achieve your goals!

We have shared so many wonderful experiences together, including outdoor learning, cooking in the Cegin, music sessions and choir performances. Not to mention tennis sessions, swimming for our Year 4s, a memorable visit to Atlantic College, and several exciting school trips.

We are incredibly proud of everything you have achieved this year and the enthusiasm, kindness and resilience you have shown. Thank you for making it such a special year.

We wish you all a happy, safe and relaxing summer break, and wish you every success as you begin your next adventure.

With lots of love from

Mrs Phillips and Mr Roderick

Dear Dosbarth Gwyrdd,

As we reach the end of a spectacular year in Dosbarth Gwyrdd, we cast our minds back on our journey through time and adventures of discovery and investigation.

This was the Year of Pip the Avocado and the world you all built for our furry friend who became a symbol of your successes in Dosbarth Gwyrdd. Pip was there, watching nervously, when you learned how to make gimbaps and fruit salads in the cegin. He listened to our rehearsals for a brass-powered Salvation Army Christmas concert to remember. Who can forget the magic dust that hung in the air as we were mesmerised by the sisters of Romjul in the Norwegian Church?

Whether you were there for our concerts, church visits, swimming lessons or our Atlantic College adventure, there was one thing these all had in common: the superb attitude and behaviour of every pupil involved in every trip. You should all be proud of yourselves for being excellent advertisements for what makes Radnor Primary a special school.

Your teachers were as thrilled as you were during our Eco-Eisteddfod because you answered the call of all your houses. You sewed, you e-mailed, you cat-walked, you sang and you delivered magnificence for the good of your team. You repeated this team effort again this summer in Thompson's Park.

So, as Pip lays his head down for the final time in Dosbarth Gwyrdd he will do so with a head full of wonderful memories and a heart full of hope for the year ahead. I think we can all take a leaf out of Pip's book as we say goodbye.

Dear Dosbarth Glas,

As we come to the end of another school year, I wanted to take a moment to say thank you and to tell each and every one of you that you have made this year a delight.

It has been an absolute pleasure teaching you this year. From the very beginning, your natural curiosity and enthusiasm for learning have stood out. You are a class that loves to ask questions—and lots of them! Often, those questions led us onto exciting new topics and discussions that made our learning even more enjoyable. Your inquisitive minds have kept me on my toes and reminded me every day why learning should be an adventure.

One of my favourite parts of the year was spending time with you in the Cegin. It was wonderful to see you develop such fantastic cooking skills, growing in confidence as you tried new techniques and created some delicious dishes along the way. Working alongside the rest of Year 5 during The Power of Performance was another highlight of the year. The quality of your performances was exceptional, and you represented yourselves, your class and the school brilliantly. You certainly did me proud.

The respect and maturity you show each other during discussions highlights what a fantastic class you are. You listen to one another, share your opinions thoughtfully and demonstrate that it is possible to disagree respectfully while learning from different viewpoints.

Looking back over the year, I can honestly say it has been a joy. You have made me laugh, made me think, and impressed me with your kindness, determination and enthusiasm. You should all be incredibly proud of what you have achieved. It has been a fantastic year as I haven't had to 'scream' at you (Sorry Ibrahim, I couldn't resist!! - if you want to know, ask a member of Dosbarth Glas to explain!)

I might be a little biased, but I truly believe you have been the best class in the school! Thank you for all your hard work, your wonderful personalities and for making this year so memorable. I wish you all a fantastic summer and every success for the adventures that lie ahead.

Keep asking questions, keep being curious, and keep being the amazing people you are.

With best wishes,

Mrs Obadaki

Dear Indigoers,

What a fantastic year we have had together! As we reach the end of another wonderful year, I wanted to take a moment to tell you all just how proud I am of each and every one of you.

You have all made incredible progress in so many different ways. Whether it has been in your learning, your confidence, your friendships or your determination to keep trying when things felt challenging, you have all grown so much. I truly couldn't be prouder.

I will miss your wonderful smiles, your laughter, your enthusiasm and, of course, your hard work. Coming into school each day and being part of Dosbarth Indigo has been an absolute pleasure.

We have shared so many special memories this year. Our trip to Yo! Sushi was superb, and I am convinced we have a few future sushi chefs amongst us! The drumming workshops were another highlight, where you worked together brilliantly to create an amazing sound and showed what can be achieved through teamwork.

For our Year 6 pupils, Llangrannog was an unforgettable experience. You all showed tremendous resilience, independence and positivity throughout the residential, and we certainly had lots of fun along the way! And then there was our recent water fight... where, let's be honest, you all got me very well indeed – I was absolutely soaked! It's safe to say you won that battle!

To our Year 6s, good luck as you move on to high school. I know that every single one of you will continue to do Radnor proud and achieve great things. Be brave, work hard, and believe in yourselves – you are more than ready for your next adventure.

To our Year 5s, next year is your turn to be the oldest children in the school and the role models for everyone else. I know you will embrace that responsibility with confidence, kindness and maturity. Although I won't be teaching you next year, I'm sure our paths will cross many times throughout school life, and I look forward to seeing all the wonderful things you achieve.

Thank you for an unforgettable year filled with learning, laughter and memories that I will cherish for a long time.

All the very best, Indigoers. Remember our class motto:

Let's Indigo!

Diolch yn fawr,

Mr M 

Dear Fioleds,

As we reach the end of another wonderful school year, I want to tell you how incredibly proud I am of each and every one of you. It has been a year full of learning, laughter, friendship, and memories that I will never forget.

Together, we have tackled challenges, discovered new things, and grown in so many ways. From exciting lessons and brilliant pieces of work to those moments when we laughed and had fun together, every day has brought something special. I have loved watching you support one another, celebrate successes, and show what it means to be a team.

We've shared some fantastic adventures this year too. Our trips gave us opportunities to explore, learn beyond the classroom, and create memories together that we'll look back on for years to come. Whether we were visiting somewhere new, solving problems together, or simply enjoying the journey, you showed enthusiasm and curiosity.

And who could forget our Water Fun Day? The smiles, the laughter, the splashes, and the soaking wet clothes made it a perfect reminder of just how much fun we've had together. Seeing everyone enjoying themselves and cheering each other on was a wonderful way to celebrate the year.

To our amazing Year 6 leavers, your next adventure is just beginning. It is time to spread your wings and take the next step on your journey. Although we will miss you, we know you are ready for all the exciting opportunities ahead. Be brave, be kind, work hard, and never stop believing in yourselves. Wherever you go, remember that you will always be a valued part of our Radnor family.

To you all, thank you for making this year so special. Thank you for your hard work, your enthusiasm, your resilience, your sense of humour, and the friendship you have shown one another. It has been a privilege to be part of your journey.

Now it's time to relax, have fun, make new memories, and enjoy a well-deserved summer break. Spend time with your families, play with your friends, enjoy the sunshine, and you will be refreshed and ready for new adventures.

Have a fantastic summer!

With lots of love and best wishes,

Ms Pritchard
